★ improved security measures at MVECA with off-site storage of back-up disks
★ added support staff to provide additional phone/email support (Fiscal and Student Services)
★ 1 of 6 DA Sites selected to do alpha testing for new DASL software
★ converted to Service Provider status to enable districts to apply for larger eRate discounts
★ introduced Progress Book software for on-line attendance, lesson plans, parent access, report cards

WHAT IS MVECA?
MVECA is a data acquisition site established in November 1980 to provide comprehensive educational computer services to Ohio Schools in the Miami Valley. The primary function of MVECA is to provide cost effective computer solutions for our member districts.

The MVECA service area covers 1,800 square miles in the counties of Clark, Clinton, Greene, Fayette, and Highland. MVECA is comprised of 24 member districts, consisting of more than 50,000 students, staff, and administrators.

Assistance is never more than an email or phone call away
This past year marked a record-setting year for MVECA. As our services increase, so does the volume of emails and phone calls we receive. Contact us by email or phone (937-767-1468).

At Your Service...
